

The People's Office
Library Tour!
with Senator Jo Comerford
Now Virtual!

The remainder of Senator Comerford's library visits have been moved to conference calls from March 14 through May 2.

We've made this decision in light of public health guidelines. Going virtual will allow us to keep the opportunity -- especially during this pressing time -- for people to learn about the work Senator Comerford and team are doing on your behalf in the legislature, ask questions, and join in on the conversation about issues affecting your community.

Each call will focus on the town whose library we planned to visit. Constituents from each town are warmly invited to **call (605) 313-5111 and use access code: 378045** to join the call. Constituents from other towns are also welcome to call in. The full new schedule with call-in information is below and on the reverse.

All upcoming library tours will now be conducted via conference call! Call: **(605) 313-5111** and then use access code: **378045**
