

# Design Contest for Young Adults

It's time to get creative again! Make a Castle (haunted or otherwise), a Fairy House, or a Fairy Garden. You can create a floor plan, plot plan, sketch your design, paint a picture of it, or create it with recycled materials you have at home. You can work in black and white, full crazy color, or anywhere in between. Show us your vision!

**Designs must be submitted by July 24th**

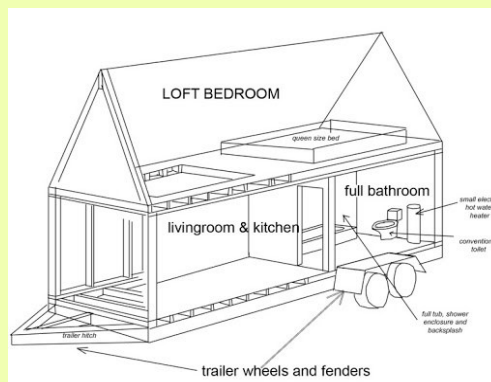

Use  
Your  
Imagination!

**Pick:**

- Castle
- Fairy House
- Fairy Garden

Then sketch, paint, or cobble together from recycled materials, cloth, found objects, and natural bits!
