

Friends of the Sunderland Public Library Donation Form

The Friends of the Sunderland Public Library is a volunteer group that believes in the importance of books, cultural activities and libraries for persons of all ages. Their fundraising efforts throughout the year provide critical financial support for programs, projects and materials whose costs cannot be met from the library's annual operating budget. Here are some of the things the Friends have funded this year: technology, supplies, community outreach, landscaping and programs – including the summer reading program!
