

Sunderland Public Library — Sunderland, MA

Young Adult Room Use Policy

The Young Adult (YA) Room at the Sunderland Public Library provides a safe and welcoming environment for young adults to gather, socialize, and use the library's resources. The space is designed and intended for young adults between the ages of 12 and 18. Adults may accompany a young adult into the YA Room for the purpose of assisting with any tasks but are asked to minimize time spent there.

Materials in the YA Room are selected for the young adult population but are available to all patrons. Any library patron may visit the YA Room to find and select material for borrowing.

All seating and computers in the YA Room are reserved for 12 to 18 year old patrons outside of Union 38 school hours.
